CAMPBELL LBR. COMPANY

WE INVITE ALL WHO ARE ABOUT TO BUILD (or "FIX THINGS UP") TO CALL AT OUR OFFICE AND SEE THIS PIECE OF CYPRESS LUMBER THAT HAS BEEN EXPOSED TO WEATHER AND "ON THE JOB" **91 YEARS**

WITHOUT EVEN A COAT OF PAINT

The piece we have been fortunate enough to secure is about 7 in. square—and after a century of beating rains is *WORN* but **SHOWS NOT A TRACE OF ROT**

We have also secured the signed statement of Father Macing, President of St. Charles College, La., establishing the remarkable facts of the case.

The old St. Charles Church, from which this piece came, was in regular use until taken down to make room for a larger structure—and *THE CYPRESS LUMBER* composing it *WAS AT ONCE USED TO ERECT A GYMNASIUM* on another site.

COME IN AND EXAMINE THIS

It is true that CYPRESS RESISTS in a remarkable way the *ROT* influence so destructive of most woods. We will gladly give information.

We also carry a complete line of all standard Lumber Products and Building Materials. Prompt attention to all orders. Lowest prices consistent with worth-while qualities.
